

Instructions Regarding the Self Learning Papers

Academic Year 2013-14 onwards

- The College provides scope for earning extra credits besides the stipulated 140 credits for UG and 90 credits for PG courses, by offering a wide choice of self learning papers.
- The papers offered for UG programme by various departments are grouped into five sections with the focus on General Awareness in Group V and Group I to IV consists of 5 papers each.
- The papers offered for PG programme by various departments are grouped into four sections. Group I to IV consists of 3 papers each
- The students irrespective of their stream (Arts/Science /Commerce/Aided/Unaided) may opt to appear for any paper of their choice. However the chosen paper should not be component of the curriculum.
- Examination will be held annually. Papers of respective group will be scheduled in a single day.
- No tuition fee is collected. Students should enroll and pay the exam fee in the month of December every year in the office.
- Students should prepare for the examination on their own. However they may obtain guidance from the respective departments.
- The marks and credits for the self learning papers will be included in the consolidated mark sheet but will not be considered for CGPA calculation.
