

ABOUT THE COLLEGE

Vellalar College for Women was established in the year 1970, has a significant contribution to empowerment and enrichment of rural women. Already achieved the highest 'A' grade, the institution has upheld the status with an increased CGPA value of 3.43 on a four point scale in its Third cycle Accreditation by the NAAC. The college has raised its bar by attaining the status of College with Potential for Excellence, bestowed by UGC. The 57th Rank in the NIRF, ranking 2018, is an authentic recognition of the glorious heritage of the Institution.

ABOUT THE DEPARTMENT

The PG Department of Physics was established in the year 2005 with M.Sc Physics & introduced the B.Sc Physics course in the year of 2011. To enrich the knowledge of the students and the faculty, the Department organizes Workshops/Guest lecturers/Special meetings/Seminars. The Department has been upgraded as Research Department with M.Phil. The areas of research offered are Polymer Science and Technology, Thin Film Technology, Crystal growth, Nano science and Technology.

ABOUT THE SEMINAR

The seminar is to expound the value and relevance of emerging technologies in the field of Material Science. It aims to bring together the Academicians, Research scholars and Students to enhance the knowledge with innovative concepts and intellectual ideas in the areas of Nano science and Technology, Thin films, Crystal growth etc.,

REGISTRATION FEE

Students	Rs. 150/-
Research Scholars	Rs. 200/-
Faculty	Rs. 250/-

CALL FOR PAPERS

The organizing committee invites original research papers for Poster presentation. Authors are requested to submit abstract of their work in about 200 words typed in 1.5 space in Times New Roman font of 12 pt.
