2022 - 2023

COLLEGE EMBLEM

The ideals and values which we cherish are symbolically represented in the college emblem.

The Lotus, our national flower, symbolises the blooming of young minds in the light of knowledge.

The ears of paddy and sugarcane represent prosperity which all our villages should enjoy.

The "Olaichuvadi" stands as the basic of our ancient educational traditions.

The "Paavaivilakku" brings out the importance of women's education. The light of knowledge, emanating from educated women dispels the darkness of ignorance and guides us along the path of knowledge.

The temple on the hill focuses attention on the fact that it is only the Creator who can guide man in his pursuit of true knowledge and peace and lead him to the pinnacle of glory.

Our motto 'உள்ளுவதெல்லாம் உயர்வுள்ளது' - let our thoughts be noble ones - emphasises that high thinking is essential. It is only high thinking that gives proper direction to all our activities.

VISION

Empowerment of women through quality education.

MISSION

To nurture human values through value-based education.

To provide educational opportunities to the rural backward and down - trodden women.

To make the first generation scholars globe-trotters and nation builders.

To address the major concerns of our society through new teaching, learning methodologies.

To transform the youth into excellent performers for national development.

QUALITY POLICY

Vellalar College for Women is committed to educate and evolve the graduating scholars by imparting them a comprehensive, inclusive and sustainable education - both theoretical and experiential - engendering not only domain knowledge but also life skills and core values whereby they are leveraged into industry ready, globally competitive, culturally sound, eco conscious, socially responsible and tech-empowered human resources capable of effecting a positive transformation in the society and the nation at large.

Covid 19 Cell Policy

The campus cleanliness and Covid -19 precautions are ensured within the campus through proper sanitization of frequently touched surfaces in all learning sites, regular thermal scanning for individuals, maintaining social distance, emphasizing and encouraging usage of facial masks, hand sanitizer, frequent washing of hands with soap oil provided at hand washing points, proper disposal of used masks and gloves in the closed dustbins by following safety norms, arranging vaccination camps, providing isolation area for symptomatic individuals, restricting the entry of visitors and maintaining the complete details of the visitors to the campus. An awareness on Covid-19 is generated by disseminating information on safety measures through flex, signages, symbols placed in prominent areas of the college and hostel, college website and frequent reminders through a common announcement system to maintain a healthy environment within the institution and thereby, the nation.

Anti Ragging Cell

Ragging is strictly prohibited in the Institution. To prevent ragging in the college, an Anti-ragging cell has been formed with senior faculty members and students. If any student is found guilty of ragging, she is liable for punishment according to clause 3,7 & 9.1 of the UGC Regulations, without prejudice to any other criminal action that may be taken against her under any penal law or any law for the time being in force.

We request you to assist us by conforming to the rules and regulations which will ensure discipline and mutual good-will, leading to the harmonious development and progress of yourself and our college.

ABOUT THE COLLEGE

The farsighted visionaries of Kongu agricultural region nurtured a dream of educating and empowering the first generation women scholars of the soil, especially the ones from rural and underprivileged sections of the society to become effective leaders and contributors to every sector of the society and this vision led to the inception of the institution in the year 1970. The institution has achieved many groundbreaking milestones and established numerous benchmarking traditions in the course of more than 50 long years, eventually evolving into the eye of conscience of this region. The credit of placing Erode on the national map of women's education goes to the first President Thiru.V.M.Kailasa Gounder and the first Secretary Thiru.S.C.Sengottuvelappan who were the chief architects of the institution. Thiru.S.C.Sengottuvelappan was succeeded by Thiru.S.Duraisamy Gounder. The institution owes its growth and repute to Dr.L.K.Muthusamy, Mr.A.M.Nallaswamy and Mr.K.Chinnaswamy who were visionaries of insightful thought and foresight. The present President Thiru.S.S.Kandasamy and the present Secretary and Correspondent Thiru.S.D.Chandrasekar are dynamic personalities, eminent educationists and the beacon lights behind every successful endeavour of the institution.

The cogent vision and mission of consummate scholastic service has empowered it to achieve and evolve into College with Potential for Excellence in 2010 and accorded with the II phase of CPE funds which stands testimony to consistent academic excellence and continuous women empowerment. Conferred with the status of autonomy in 2007 and re-accredited by NAAC with 'A+' grade in 2022 in the fourth cycle with the CGPA of 3.27, the institution continues to equip the students with intellectual, moral, spiritual and physical credentials to lead a purposeful life. Subsequently Autonomy Extension was granted in 2019, and the institution has become the proud recipient of ISO certification. These credentials led to the institution being recognized under the UGC scheme for mentoring NAAC Accreditation Aspirant institutions to promote Quality Assurance in the Higher Education under PARAMARSH for two years 2019-2021. The constant and successive academic achievements placed our institution at the proud position of 100 at the national level by the NIRF 2022. Internal Quality Assurance Cell (IQAC) focuses on the inclusive quality sustenance with academic administrative and campus governance systems.

Taking a lead in creating a whole new pedagogy, digital content as a substitute for large-format lectures is developed and delivered through its collaboration with Spoken Tutorials, IIT Bombay, an initiative of NMEICT, MHRD, GoI. This academic alliance has launched Vellalar College for Women, Erode, as the Nodal Resource Centre (NRC) of Spoken Tutorials, IIT Bombay, in Erode region.

A promising and potential space for research culture is woven into the academic landscape of the institution which is furthered by the financial assistance sanctioned under FIST programme by the Ministry of Science and Technology, Department of Science and Technology, R&D Division, Government of India to strengthen the research and teaching facilities in all science departments of the college. Furthermore, under Star College Scheme, the Ministry of Science and Technology, Department of Biotechnology, Government of India, has accorded substantial funds to bolster and intensify the Life Science and Biotechnology education and training. Three Peer-reviewed biannual multidisciplinary research journals (Both online and print versions with DOI, ISBN & ISSN) are released from the portals of the institution which can be accessed online in the digital repository www.i-scholar.in and the journals are in the state of entering in the merit of UGC indexed. The UGC has approved the conduct of 6 B.Voc, 2 Advanced Diploma and 1 Diploma programmes under National Skills Qualifications Framework (NSQF) from the academic year 2020-21 and onwards to impart skill oriented training and improve the employability skills of the beneficiaries.

With the coordinated synergized programmes the institution has an unlimited scope for a greater future for the learners which makes the stay and study on campus a highly sought after experience.

VCW Community College for Women has been established from the AY 2022-2023 with the UG Programme B.Voc Fashion and Boutique Management.
